

Background:

SEWA Bharat (www.sewabharat.org) is the All India Federation of Self-Employed Women's Associations that works with women workers in the informal sector across 17 states of India. It is committed to strengthening the movement of women in the informal economy by highlighting their issues at the national level and building its member organizations' capacity to empower them.

SEWA is implementing a solid waste management program in Munger district of Bihar in collaboration with municipal corporation and a CSR partner. The project focusses on developing Munger a cleaner and greener city with reduction in waste generation and burden on landfill sites. The work involves door to door collection, encouraging waste segregation at source, converting biodegradable waste into organic composts through different models and exploring market opportunities for it. The program ultimately aims to develop a responsible citizen who take ownership in maintaining a proper system for solid waste management. The program provides a good opportunity to enhance environment sustainability through PPP model in a small town of Munger.

SEWA Bharat is looking for a candidate who has experience of handling solid waste management program. The position is based for Munger.
